Improvement Strategies

How to succeed

Take Notes
Studying is easy once you know how!

Problem Areas ONLY

1

Do you have a subject analysis sheet

Ask your teacher for help!

1

How are you going to improve?

Studying is
Active not passive

Attempting things you find difficult not easy

Expect to get out what you put in.

Remember you already have the marks for the things you know what to do.

Success is work in progress!

Important to Stick to plan
NO EXCUSES!
